26 March 2013

Dear Shareholder,

On behalf of the directors of Fresnillo plc (together the 'Directors'), it gives me great pleasure to invite you to attend the Annual General Meeting (or 'AGM') of Fresnillo plc (the 'Company') which will be held at the offices of Linklaters LLP, One Silk Street, London EC2Y 8HQ, United Kingdom on Thursday 2 May 2013 at 11:00 a.m.

The formal Notice of AGM is set out on pages 5 and 6 of this document detailing the resolutions that the shareholders are being asked to vote on with explanatory notes of the business to be conducted at the AGM on pages 10 and 11. Details of the arrangements for the AGM are set out on pages 7 to 9 and 17 and 18.

The AGM provides shareholders with an opportunity to communicate with the Directors and we welcome your participation.

The Directors believe that the resolutions set out in the Notice of AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all of the resolutions to be proposed at the AGM. The Directors who own Ordinary Shares intend to vote in favour of the resolutions to be proposed at the AGM.

If I am appointed as proxy I will, of course, vote in accordance with any instructions given to me. If I am given discretion as to how to vote, I will vote in favour of each of the resolutions to be proposed at the AGM.

The following is a brief summary of the items of business:

Resolutions 1 and 3 relate to the receiving of the reports and accounts for the year ended 31 December 2012 and the approval of the Directors' Remuneration Report.

Resolution 2 relates to the approval of the final dividend. The Directors recommend a final dividend of 42.4 US cents per Ordinary Share for the year ended 31 December 2012. If the recommended final dividend is approved, this will be paid on Wednesday 8 May 2013 to all ordinary shareholders who were on the register of members on Friday 19 April 2013.

Resolutions 4 to 15 relate to the re-election of the Directors in accordance with Provision B.7.1 of the UK Corporate Governance Code. Biographies for the Directors can be found on pages 12 to 16 of this document and include a description of the perspectives and experience each Director brings.

Resolution 16 and 17 relate to the re-appointment of auditors and the authorisation of the Audit Committee to set their fees.

Resolutions 18 to 20 relate to the share capital of the Company:

- Resolution 18 seeks shareholder approval in order to authorise the Directors, for the purposes of section 551 of the Companies Act 2006, to allot shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal amount of US\$119,526,693. This represents the aggregate of one third of the nominal value of the Ordinary Shares in issue as at Tuesday 26 March 2013, being the last practicable date before publication of this Notice.
- Resolution 19 seeks shareholder approval in order to authorise the Directors, for the purposes of section 570 of the Companies Act 2006, to allot shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal amount of US\$17,929,003.50 as if section 561(1) of the Companies Act 2006 did not apply. This represents five per cent of the nominal value of the Ordinary Shares in issue as at Tuesday 26 March 2013, being the last practicable date before publication of this Notice.
- Resolution 20 seeks shareholder approval in order to authorise the Directors, for the purposes of section 701 of the Companies Act 2006 to make market purchases of the Ordinary Shares, up to a maximum number of 71,716,015 shares. This represents 10 per cent of the Ordinary Shares in issue as at Tuesday 26 March 2013, being the last practicable date before publication of this Notice.

Resolution 21 seeks shareholder approval to renew the authority passed at the Company's AGM on 18 May 2012 for the purposes of the Companies (Shareholders' Rights) Regulations 2009 to call general meetings (other than an annual general meeting) on 14 clear days' notice, provided that facilities are available to shareholders to vote by electronic means for meetings called on such notice. The Company will not use such authority as a matter of routine, and only in circumstances where the flexibility is merited by the business of the meeting or where it would be to the advantage of the members as a whole and moreover where the proposals are not of a complexity that might require more time for consideration by members.

The business of the meeting will be conducted on a poll. I would encourage shareholders to exercise their right to vote in the following ways:

- If you will be attending the AGM, please bring the attendance slip enclosed with your Form of Proxy to the AGM when voting.
- If you are not able to attend the AGM in person, you can cast your votes by proxy by completing the enclosed Form of Proxy and returning it to Equiniti Limited, FREEPOST SEA 10855, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZX, United Kingdom. Alternatively, you can vote using the internet at www.sharevote.co.uk using the relevant reference numbers printed on your Form of Proxy. Full details of how to vote using the Form of Proxy or via the internet can be found on page 7. Completion and return of the Form of Proxy will not prevent shareholders from attending in person and voting at the meeting should they subsequently decide to do so.
- CREST members may use the CREST electronic proxy appointment service to submit their proxy appointment in respect of the AGM as detailed in the Notes to the Notice of the AGM on pages 7 to 9.
- Please note that all proxy forms and appointments, whether postal or electronic, must be received by 11:00 a.m. (UK time) on Tuesday 30 April 2013.

The results of voting on the Resolutions will be posted on the Company's website immediately after the AGM.

I look forward to seeing you at the AGM.

Yours faithfully

Alberto Baillères
Non-executive Chairman

NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

Proxies

1. A member is entitled to appoint another person as their proxy to exercise all or any of their rights to attend and to speak and vote at the Annual General Meeting. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder.
2. A Form of Proxy is enclosed with this Notice. The appointment of a proxy will not prevent a member from subsequently attending and voting at the meeting in person. In the case of joint holders, any one holder may vote. If more than one holder is present at the meeting, only the vote of the senior will be accepted, seniority being determined in the order in which the names appear on the register. A space has been included in the Form of Proxy to allow members to specify the number of shares in respect of which that proxy is appointed. Shareholders who return the Form of Proxy duly executed but leave this space blank will be deemed to have appointed the proxy in respect of all of their shares. Shareholders who wish to appoint more than one proxy in respect of their shareholding should contact the Company's Registrars, Equiniti Limited, FREEPOST SEA 10855, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZX United Kingdom on 0871 384 2868 (calls to this number are charged at 8p per minute, plus network charges) or +44 (0)121 415 0205 if you are calling from outside the UK. Lines open 8:30 a.m. to 5:30 p.m., Monday to Friday (excluding bank holidays).

For additional Forms of Proxy you may photocopy the Form of Proxy provided with this document indicating on each copy the name of the proxy you wish to appoint and the number of Ordinary Shares in the Company in respect of which the proxy is appointed. All Forms of Proxy should be returned together in the same envelope.

3. To appoint a proxy: either (a) the Form of Proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be deposited with the Company's Registrars, Equiniti Limited, FREEPOST SEA 10855, Aspect House, Spencer Road, Lancing, West Sussex BN99 6ZX, United Kingdom; or (b) the proxy appointment must be lodged using the CREST Proxy Voting Service in accordance with Note 10 below; or (c) online proxies must be lodged in accordance with Note 5 below in each case so as to be received no later than 48 hours before the time of the holding of the AGM or any adjournment thereof.

Please note that all proxy forms and appointments, whether postal or electronic, must be received by 11:00 a.m. (UK time) on Tuesday 30 April 2013.

Nominated persons

4. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ('nominated persons'). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

Online voting

5. The website address for online voting is www.sharevote.co.uk. Shareholders will need to enter the Voting ID, Task ID and Shareholder Reference Number as printed on the Form of Proxy, and to agree to certain terms and conditions.

Total voting rights

6. Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. Each Ordinary Share confers one vote on a poll. The total number of issued Ordinary Shares in the Company on Tuesday 26 March 2013, which is the latest practicable date before the publication of this document is 717,160,159. Therefore, the total number of votes exercisable as at Tuesday 26 March 2013 is 717,160,159.

As at Tuesday 26 March 2013, there have been no further changes in the major shareholdings notified to the Company since 11 March 2013 (being the date on which the Directors' Report for the year ended 31 December 2012 was approved). Similarly, there have been no further changes in the interests of Directors in the Company's issued share capital since 11 March 2013.

Record date

7. Entitlement to attend and vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members at close of business (6:00 p.m. UK time) on Tuesday 30 April 2013 or, if the meeting is adjourned, 48 hours before the time fixed for the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded.

Entry to the AGM, security arrangements and conduct of proceedings

8. To facilitate entry to the meeting, shareholders are requested to bring with them suitable evidence of their identity. Persons who are not shareholders of the Company (or their appointed proxy) will not be admitted to the AGM unless prior arrangements have been made with the Company. For security reasons, all hand luggage may be subject to examination prior to entry to the AGM. Cameras, tape recorders, laptop computers and similar equipment may not be taken into the AGM. We ask all those present at the AGM to facilitate the orderly conduct of the meeting and reserve the right, if orderly conduct is threatened by a person's behaviour, to require that person to leave.

CREST proxy instructions

9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual (available via www.euroclear.com/site/public/EUI). CREST Personal Members or other CREST sponsored members (and those CREST members who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in Note 3 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Automatic poll voting

13. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. It is also in line with recommendations made by the Shareholder Voting Working Group and Paul Myners in 2004. Members and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and notified to the UK Listing Authority once the votes have been counted and verified.

Publication of audit concerns

14. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

Questions

15. Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Documents on display

16. Copies of the Letters of Appointment between the Company and its Non-executive Directors and copies of any Executive Directors' service contracts will be available at the registered office of the Company during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) until the date of the AGM and also at the place of the AGM from 15 minutes prior to the commencement of the meeting until the conclusion thereof.

Information available on the website

17. A copy of this notice and other information required by section 311A of the Companies Act 2006 can be found at www.fresnilloplc.com. Shareholders may not use any electronic address provided in either this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

EXPLANATORY NOTES ON RESOLUTIONS

Report and Accounts (Resolution 1)

The first item of business is the receipt by shareholders of the audited accounts for the financial year ended 31 December 2012 together with the Directors' Report and the Auditors' Report (the 'Annual Report').

Declaration of final dividend (Resolution 2)

This resolution seeks shareholder approval of the final dividend recommended by the Directors. The Directors are proposing a final dividend of 42.4 US cents per Ordinary Share in the Company. If approved, the final dividend will be payable on Wednesday 8 May 2013 to those shareholders on the register at the close of business on Friday 19 April 2013.

Directors' Remuneration Report (Resolution 3)

Shareholders are invited to approve the Directors' Remuneration Report for the year ended 31 December 2012, which is included in the Annual Report (at pages 133 to 141). The vote on this resolution is advisory and no Director's remuneration is conditional upon the passing of this resolution.

Re-appointment of Directors (Resolutions 4 to 15)

Provision B.7.1 of the UK Corporate Governance Code requires that all the directors of FTSE 350 companies should seek re-election by shareholders on an annual basis. All Directors currently in office will therefore seek re-election at the AGM. Separate resolutions are proposed for each of these re-elections. The Board has reviewed the role of each of the Directors and remains satisfied that each of the Directors continues to be fully competent to carry out their responsibilities as a member of the Board of Directors and, following a formal performance evaluation, that each such Director's performance continues to be effective and to demonstrate commitment to the role. Biographical details of the Directors are provided on pages 12 to 16 below. The Letters of Appointment of the Non-executive Directors reflect the requirements of this provision.

Re-appointment of Auditors (Resolution 16)

The Company is required, at each general meeting at which accounts are presented, to appoint auditors to hold office until the conclusion of the next such meeting and Ernst & Young LLP has advised its willingness to stand for re-appointment. The Board, on the recommendation of the Audit Committee, recommends the re-appointment of Ernst & Young LLP as auditors to hold office until the conclusion of the next annual general meeting of the Company (the 'Auditors').

Remuneration of Auditors (Resolution 17)

This resolution seeks shareholder consent for the Audit Committee of the Company to set the remuneration of the Auditors.

Directors' authority to allot shares (Resolution 18)

Under the Companies Act 2006, the directors of a company may only allot new shares (or grant rights over shares) if authorised to do so by the shareholders in a general meeting. The authority which is sought in respect of this is dealt with in Resolution 18. The authority in paragraph (i) will allow the Directors to allot new shares and to grant rights to subscribe for or convert any security into shares up to a nominal value of US\$119,526,693, which is equivalent to one third of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at Tuesday 26 March 2013, being the last practicable date before publication of this Notice. The Company does not currently hold any of its Ordinary Shares in treasury.

The Directors have no present intention to allot shares or grant rights to subscribe for or convert any security into shares pursuant to this authority. However, the Directors consider it desirable to have the flexibility to respond to market developments and to enable allotments to take place in appropriate circumstances. Given the Company's current capital structure, the Directors do not consider it necessary to seek the additional authority to allot up to a total of approximately 66 per cent of the total issued ordinary share capital of the Company, in connection with a rights issue, as permitted by the guidance of the Association of British Insurers.

If this resolution is passed the authority will expire on the conclusion of the next annual general meeting or on Monday 30 June 2014, whichever is the earlier.

Disapplication of pre-emption rights (Resolution 19)

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme) company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

There may be circumstances, however, when it is in the interests of the Company to be able to allot new equity securities for cash other than on a pre-emptive basis. The Board considers the authority in Resolution 19 to be

appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

The purpose of Resolution 19 is to authorise the Directors to allot new shares pursuant to the authority given therein, or sell treasury shares, for cash (a) in connection with a pre-emptive offer or rights issue or (b) otherwise up to a nominal value of US\$17,929,003.50 equivalent to five per cent of the total issued ordinary share capital of the Company as at Tuesday 26 March 2013, in each case without the shares first being offered to existing shareholders in proportion to their existing holdings.

Such authority, if given, will expire at the conclusion of the next annual general meeting or on Monday 30 June 2014, whichever is the earlier. Following the implementation of The Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003, this extends to any subsequent sale of equity securities which have been held in treasury.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles regarding cumulative use of authorities within a rolling three-year period such that shares should not be allotted on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company without prior consultation with the Company's shareholders.

Resolution 19 will be proposed as a special resolution.

Authority to purchase own shares (Resolution 20)

The effect of this resolution is to renew the authority granted to the Company to purchase its own Ordinary Shares, up to a maximum of 71,716,015 Ordinary Shares until the earlier of the next annual general meeting and Monday 30 June 2014. This represents 10 per cent of the current Ordinary Shares of the Company in issue and the Company's exercise of this authority is subject to the stated upper and lower limits on the price payable, which reflect the requirements of the Listing Rules.

Pursuant to the Companies Act 2006 (as amended), the Company can hold the shares which have been repurchased as treasury shares and either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The Directors believe that it is desirable for the Company to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give the Company the ability to re-sell or transfer them in the future, and so provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall financial position of the Company. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently resold or transferred out of treasury). If any shares repurchased by the Company are held in treasury and used for the purposes of its employee share schemes, the Company will count those shares towards the limits on the number of new shares which may be issued under such schemes.

As at Tuesday 26 March 2013, being the last practicable date before publication of this Notice, there were no options or warrants outstanding to subscribe for shares in the Company.

Resolution 20 will be proposed as a special resolution.

Notice of general meetings (Resolution 21)

The Companies (Shareholders' Rights Regulations) 2009 (the 'Shareholders' Rights Regulations') requires that the notice period for general meetings of the Company should be 21 days unless certain requirements are satisfied. The Company is currently able to call general meetings (other than an annual general meeting) on 14 clear days' notice and would like to preserve this ability. In order to be able to do so, shareholders must have approved the calling of meetings on 14 clear days' notice. This resolution seeks to renew the approval given at the Company's last annual general meeting and this approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. In the event that a general meeting is called on less than 21 days' notice, then the Company will meet the requirements for electronic voting under section 8 of the Shareholders' Rights Regulations in order to be able to call a general meeting on 14 clear days' notice. CREST voting will be permitted to fulfil these requirements.

The Company will not use the authority to call a general meeting on 14 clear days' notice as a matter of routine, and only in circumstances where the flexibility is merited by the business of the meeting or where it would be to the advantage of the members as a whole and moreover where the proposals are not of a complexity that might require more time for consideration by members.

Resolution 21 will be proposed as a special resolution.
