**Dear Shareholder,**

**On behalf of the directors of Fresnillo plc (together the 'Directors'), it gives me great pleasure to invite you to attend the Annual General Meeting (or 'AGM') of Fresnillo plc (the 'Company' or 'Fresnillo') which will be held at the Royal Aeronautical Society, 4 Hamilton Place, London W1J 7BQ, London, UK on Tuesday 21 May 2019 at 12:00 noon.**

The formal notice of AGM (the '**Notice**') is set out on pages 5 and 6 of this document, detailing the resolutions that the shareholders are being asked to vote on, with explanatory notes of the business to be conducted at the AGM on pages 9 to 11. Details of the arrangements for the AGM are set out on pages 7 and 8. The AGM provides shareholders with an opportunity to communicate with the Directors and we welcome your participation.

The Directors believe that the resolutions set out in the Notice (the '**Resolutions**') are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all of the Resolutions. The Directors who own Ordinary Shares intend to vote in favour of the Resolutions.

If I am appointed as proxy I will, of course, vote in accordance with any instructions given to me. If I am given discretion as to how to vote, I will vote in favour of each of the Resolutions.

The following is a brief summary of the business of the 2019 AGM:

Resolution 1 relates to the receiving of the report and accounts for the year ended 31 December 2018.

Resolution 2 relates to the approval of a final dividend. As set out in the Company's preliminary results announcement on 26 February 2019, the Directors recommend a final dividend of 16.7 US cents per Ordinary Share. If the recommended final dividend is approved, this will be paid on 24 May 2019 to all ordinary shareholders who are on the register of members on 26 April 2019.

Resolution 3 is to approve the Annual Report on Remuneration, as set out on pages 130 to 142 of the report and accounts for the year ended 31 December 2018.

Resolutions 4 to 14 relate to the re-election of the Directors in accordance with Provision 18 of the 2018 UK Corporate Governance Code.

Resolution 15 relates to the election of Mr Luis Robles as an independent Director with effect from the date of the AGM.

Resolutions 10 to 15 relate to the election or re-election of the independent Directors, in accordance with the UK Listing Rules which are applicable to companies with a controlling shareholder. Resolutions 10 to 15 require approval by a majority of votes cast by independent shareholders as well as all shareholders of the Company.

Biographies for all of the Directors can be found on pages 12 to 16 of this document and include a description of the perspectives and experience each Director brings.

Further to the announcement on 26 February 2019, Mr Jaime Serra Puche resigned from the board of directors of the Company (the 'Board') on 25 February 2019. My board colleagues and I have greatly valued Jaime's contributions to the Fresnillo board meetings over the past five years. His political insight has been particularly valued and we have been grateful to have someone of his calibre and experience on our Board. We will miss his input greatly but wish him well for the future. The Board confirmed at its meeting on 10 April 2019 that it proposes Mr Luis Robles is elected as a new independent Non-executive Director.

Resolution 16 seeks approval for the Directors' Remuneration Policy, which includes the changes set out in the Directors' Remuneration Report on pages 143 to 147 of the Annual Report and Accounts for the year ended 31 December 2018 and described further on page 10 of this document, with effect from the conclusion of the AGM.

Resolutions 17 and 18 relate to the re-appointment of auditors and the authorisation of the Audit Committee to set their fees.

Resolutions 19 to 22 relate to the share capital of the Company:

- Resolution 19 seeks shareholder approval in order to authorise the Directors, for the purposes of section 551 of the Companies Act 2006, to allot shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal amount of US\$122,815,598. This represents one third of the total issued Ordinary Share capital of the Company (excluding treasury shares) as at 12 April 2019, being the last practicable date before publication of this Notice.
- Resolution 20 seeks shareholder approval that if Resolution 19 is passed, the Directors be authorised to allot equity securities for cash as if section 561(1) of the Companies Act 2006 did not apply. Such authority is limited to allotments for rights issues and other pre-emptive issues and the allotment of equity securities is limited to the nominal amount of US\$18,422,339. This represents no more than the 5% of the total issued Ordinary Share capital of the Company (excluding treasury shares) as at 12 April 2019, being the last practicable date before publication of this Notice.
- Resolution 21 seeks shareholder approval for the Directors to be authorised, in addition to any authority granted under Resolution 20 to allot equity securities for cash under the authority given by Resolution 19, as if section 561(1) of the Companies Act 2006 did not apply. Such authority is limited to allotments for the purposes of financing a transaction which the Board determines to be an acquisition or specified capital investment of the kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice, and the allotment of equity securities is limited to the nominal amount of US\$18,422,339. This represents no more than the 5% of the total issued ordinary share capital of the Company (excluding treasury shares) as at 12 April 2019, being the last practicable date before publication of this Notice.
- Resolution 22 seeks shareholder approval in order to authorise the Directors, for the purposes of section 701 of the Companies Act 2006, to make market purchases of Ordinary Shares, up to a maximum number of 73,689,358 shares. This represents 10% of the total issued Ordinary Share capital of the Company (excluding treasury shares) as at 12 April 2019, being the last practicable date before publication of this Notice.

Resolution 23 seeks shareholder approval to renew the authority passed at the AGM on 30 May 2018 for the purposes of the Companies (Shareholders' Rights) Regulations 2009 to call general meetings (other than an annual general meeting) on 14 clear days' notice, provided that facilities are available to shareholders to vote by electronic means for meetings called on such notice. The Company will not use such authority as a matter of routine, and only in circumstances where the flexibility is merited by the business of the meeting, the proposals are time-sensitive or where it would be to the advantage of the members as a whole and moreover where the proposals are not of a complexity that might require more time for consideration by members.

In line with best corporate governance, voting on the business of the meeting will be conducted on a poll. I would encourage shareholders to exercise their right to vote in the following ways:

- If you will be attending the AGM, please bring the attendance slip enclosed with your Form of Proxy to the AGM when voting.
- If you are not able to attend the AGM in person, you can cast your votes by proxy by completing the enclosed Form of Proxy and returning it to Equiniti Limited, FREEPOST RTHJ-CLLL-KBKU, Aspect House, Spencer Road, Lancing, West Sussex BN99 8LU, UK. Alternatively, you can vote online at [www.sharevote.co.uk](http://www.sharevote.co.uk) using the relevant reference numbers printed on your Form of Proxy. Full details of how to vote using the Form of Proxy or via the internet can be found in the Notes to the Notice on page 7. Completion and return of the Form of Proxy will not prevent shareholders from attending in person and voting at the meeting should they subsequently decide to do so.
- CREST members may use the CREST electronic proxy appointment service to submit their proxy appointment in respect of the AGM as detailed in the Notes to the Notice on page 8.
- Please note that all Forms of Proxy and electronic proxy appointments must be received by 12.00 noon (UK time) on Friday 17 May 2019.

The results of voting on the Resolutions will be posted on the Company's website following the AGM.

I look forward to seeing you at the AGM.

**Yours faithfully**

**Mr Alberto Baillères**  
Non-executive Chairman

# Notes to the Notice of Annual General Meeting

## Proxies

1. A member is entitled to appoint another person as their proxy to exercise all or any of their rights to attend and to speak and vote at the Annual General Meeting. A proxy need not be a shareholder of the Company. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder.
2. A Form of Proxy is enclosed with this Notice. The appointment of a proxy will not prevent a member from subsequently attending and voting at the meeting in person. In the case of joint holders, any one holder may vote. If more than one holder is present at the meeting, only the vote of the senior will be accepted, seniority being determined in the order in which the names appear on the register. A space has been included in the Form of Proxy to allow members to specify the number of shares in respect of which that proxy is appointed. Shareholders who return the Form of Proxy duly executed but leave this space blank will be deemed to have appointed the proxy in respect of all of their shares. Shareholders who wish to appoint more than one proxy in respect of their shareholding should contact the Company's Registrars, Equiniti Limited, FREEPOST RTHJ-CLLL-KBKU, Aspect House, Spencer Road, Lancing, West Sussex BN99 8LU, UK on 0371 384 2868 or +44 (0)121 415 0205 if you are calling from outside the UK. Lines open 8:30 a.m. to 5:30 p.m., Monday to Friday (excluding bank holidays).

For additional Forms of Proxy you may photocopy the Form of Proxy provided with this document indicating on each copy the name of the proxy you wish to appoint and the number of Ordinary Shares in the Company in respect of which the proxy is appointed. All Forms of Proxy should be returned together in the same envelope.

3. To appoint a proxy: either (a) the Form of Proxy, and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), must be deposited with the Company's Registrars, Equiniti Limited, FREEPOST RTHJ-CLLL-KBKU, Aspect House, Spencer Road, Lancing, West Sussex BN99 8LU, UK; or (b) the proxy appointment must be lodged using the CREST Proxy Voting Service in accordance with note 10 below; or (c) online proxies must be lodged in accordance with note 5 below in each case so as to be received no later than 48 hours before the time of the holding of the AGM (excluding non-working days) or any adjournment thereof.

Please note that all Forms of Proxy and electronic proxy appointments must be received by 12.00 noon (UK time) on Friday 17 May 2019.

## Nominated persons

4. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ('nominated persons'). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

## Online voting

5. The website address for online voting is [www.sharevote.co.uk](http://www.sharevote.co.uk). Shareholders will need to enter the Voting ID, Task ID and Shareholder Reference Number as printed on the Form of Proxy, and to agree to certain terms and conditions.

## Total voting rights

6. Holders of Ordinary Shares are entitled to attend and vote at general meetings of the Company. Each Ordinary Share confers one vote on a poll. The total number of issued Ordinary Shares in the Company on 12 April 2019, which is the latest practicable date before the publication of this document, is 736,893,589. Therefore, the total number of votes exercisable as at 12 April 2019 is 736,893,589.

As at 12 April 2019, the major shareholdings in the Company are:

	Number of voting rights	%
Industrias Peñoles S.A.B. de C.V.	552,595,191	74.99
BlackRock Inc.	44,466,912	6.03
First Eagle Investment Management LLC	36,938,995	5.01

There have been no further changes in the interests of Directors in the Company's issued share capital since 25 February 2019.

## Record date

7. Entitlement to attend and vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members at close of business (6:30 p.m. UK time) on 17 May 2019 or, if the meeting is adjourned, 48 hours before the time fixed for the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded.

## Entry to the AGM, security arrangements and conduct of proceedings

8. To facilitate entry to the meeting, shareholders are requested to bring with them suitable evidence of their identity. Persons who are not shareholders of the Company (or their appointed proxy) will not be admitted to the AGM unless prior arrangements have been made with the Company. For security reasons, all hand luggage may be subject to examination prior to entry to the AGM. Cameras, tape recorders, laptop computers and similar equipment may not be taken into the AGM. We ask all those present at the AGM to facilitate the orderly conduct of the meeting and reserve the right, if orderly conduct is threatened by a person's behaviour, to require that person to leave.

**CREST proxy instructions**

9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual (available via [www.euroclear.com](http://www.euroclear.com)). CREST Personal Members or other CREST sponsored members (and those CREST members who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in note 3 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

**Automatic poll voting**

13. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting, which is also in line with best corporate governance. Members and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and notified to the market once the votes have been counted and verified.

**Publication of audit concerns**

14. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (a) the audit of the Company's accounts (including the Auditors' Report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

**Questions**

15. Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

**Documents on display**

16. Copies of the Letters of Appointment between the Company and its Non-executive Directors will be available at the registered office of the Company during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) until the date of the AGM and also at the place of the AGM from 15 minutes prior to the commencement of the meeting until the conclusion thereof.

**Information available on the website**

17. A copy of this notice and other information required by section 311A of the Companies Act 2006 can be found at [www.fresnilloplc.com](http://www.fresnilloplc.com).

**Electronic Addresses**

18. Shareholders may not use any electronic address provided in either this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

## Re-election and election of Directors (Resolutions 4 to 15)

Provision 18 of the 2018 UK Corporate Governance Code requires that all the directors of FTSE 350 companies should seek re-election by shareholders on an annual basis. All Directors currently in office will therefore seek re-election at the AGM. Separate resolutions are proposed for each of these re-elections.

The Board has reviewed the role of each of the Directors and remains satisfied that each of the Directors continues to be fully competent to carry out their responsibilities as a member of the Board of Directors and, following a formal performance evaluation, that each such Director's performance continues to be effective and to demonstrate commitment to the role. In support of this assessment, the Nominations Committee has reviewed the time commitments made by each Director to the work of the Board and its committees, and their respective attendance records during the year, and is satisfied that all of the Directors are fully committed in undertaking their duties and responsibilities to the Board and the Company. Biographical details for these Directors, reflecting the roles and commitments of the Directors as at 12 April 2019, being the latest practicable date before publication of this notice, are provided on pages 12 to 16. Further information about the Board's assessment of the time commitment of Directors being proposed for re-election is set out on pages 107 and 108 of the 2018 Annual Report.

Mr Alberto Baillères has been the Chairman of the Company since its IPO in 2008. Having been responsible for overseeing the successful development of the Group over many years, the Board considers that his continued involvement as its Non-executive Chairman is very important to the continued success of the Company and, therefore, the Board continues to value and endorse Mr Baillères' chairmanship of the Company. Given Mr Baillères' experience and understanding of Mexican business and its regulatory context, this assessment gains further validity in the current political and social environment in Mexico. Notwithstanding the expectations of the 2018 UK Corporate Governance Code, the Board does not expect to change this assessment for the foreseeable future.

Under the UK Listing Rules, Industrias Peñoles S.A.B. de C.V. is classed as a 'controlling shareholder' of the Company. This means that the independent Non-executive Directors of the Company must be re-elected by a majority of the votes cast by the independent shareholders of the Company, as well as by a majority of the votes cast by all the shareholders. The concept of the independent shareholders of the Company means all the shareholders of the Company other than Industrias Peñoles S.A.B. de C.V. and its associates. Therefore, the resolutions for the re-election of the independent Non-executive Directors (Resolutions 10 to 15) will be taken on a poll and the votes cast by the independent shareholders and by all the shareholders will be calculated separately. Such resolutions will be passed only if a majority of the votes cast by the independent shareholders are in favour, in addition to a majority of the votes cast by all the shareholders being in favour.

None of the independent Non-executive Directors seeking re-election or election at the Annual General Meeting has any existing or previous relationship, transaction or arrangement with the Company, the other Directors, any controlling shareholder of the Company or any associate of a controlling shareholder of the Company, within the meaning of Listing Rule 13.8.17R (1) other than as disclosed below.

All Director effectiveness is judged equally and determined on the basis of the range of skills and experience of the individual in question. In this regard, each of the independent Non-executive Directors possesses extensive experience and skills which are key to the success of the Company's business. All of the independent Non-executive Directors have undergone a formal performance evaluation and it was determined that they continue to demonstrate effective performance and commitment to the role.

The Nominations Committee is responsible for making recommendations to the Board on the structure, size and composition of the Board and its committees and succession planning for the Directors. One of the criteria for determining the composition of the Board and selecting future Board candidates includes the Relationship Agreement between the Company and Industrias Peñoles S.A.B. de C.V., which requires that the UK Corporate Governance Code provisions be complied with. Before making appointments of new Directors, the Nominations Committee is responsible for evaluating the balance of skills, knowledge, experience and independence on the Board and identifying and nominating suitable candidates. The Nominations Committee and the Board are committed to the principle of appointments to the Board being made on the basis of merit. The Nominations Committee also evaluates tenure and independence on an annual basis. The work of the Nominations Committee in undertaking this exercise is described on pages 116 to 118 of the Annual Report. Further details on how each of the independent Non-executive Directors was considered to be independent is set out on page 107 of the Annual Report.

**Directors' Remuneration Policy (Resolution 16)**

Shareholders are requested to approve the amended Directors' Remuneration Policy (the '**Policy**') as set out on pages 143 to 147 of the Annual Report. The Policy must be approved by shareholders (by a separate resolution) at least once every three years. The current Policy was approved by shareholders at the annual general meeting in 2018. However, as the Company moves from a phase of fairly rapid growth to one of consolidation, the Remuneration Committee proposes that certain amendments be made to the Policy. The key adjustments being proposed are summarised below. If approved by shareholders, the new Policy will take effect immediately upon conclusion of the Annual General Meeting. While the Company currently has no Executive Directors who would be bound by the Policy, the Company will continue to treat the Chief Executive Officer as if he were an Executive Director for the purposes of the Policy.

<b>Proposed change</b>	<b>Rationale</b>
Updating the KPIs referred to in the Policy, both in terms of the objective themselves and the measures relating thereto.	To better align the incentives for the Executive Committee members with the requirements of the business as the Group moves into a phase of slower organic growth.
Introducing a cap on each of the KPIs (other than the Safety KPI) such that the points awarded on any KPI (other than Safety) cannot exceed 135 per cent. of the target set for that KPI at the beginning of the year.	To mitigate the possibility that high performance in one category could make up for poor performance in all other categories.
Introducing a sliding scale for bonus awards between 100 points (two months' salary) and 115 points (six months' salary) rather than the current stepped approach.	To more closely align bonus to actual performance.

**Re-appointment of Auditors (Resolution 17)**

The Company is required, at each general meeting at which accounts are presented, to appoint auditors to hold office until the conclusion of the next such meeting and Ernst & Young LLP has advised its willingness to stand for re-appointment. The Audit Committee have evaluated the performance of Ernst & Young LLP. The Board, on the recommendation of the Audit Committee, recommends the re-appointment of Ernst & Young LLP as auditors to hold office until the conclusion of the next annual general meeting of the Company (the 'Auditors'). A full and robust tender exercise for the audit was undertaken in 2016.

**Remuneration of Auditors (Resolution 18)**

This resolution seeks shareholder consent for the Audit Committee of the Company to set the remuneration of the Auditors.

**Directors' authority to allot shares (Resolution 19)**

Under the Companies Act 2006, the directors of a company may only allot new shares (or grant rights over shares) if authorised to do so by the shareholders in a general meeting. The authority proposed under Resolution 19 will allow the Directors to allot new shares and to grant rights to subscribe for or convert any securities into shares up to a nominal value of US\$122,815,598, which is equivalent to one third of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 12 April 2019, being the last practicable date before publication of this Notice. The Company does not currently hold any of its Ordinary Shares in treasury.

The Directors have no present intention to allot shares or grant rights to subscribe for or convert any security into shares pursuant to this authority. However, the Directors consider it desirable to have the flexibility to respond to market developments and to enable allotments to take place in appropriate circumstances. Given the Company's current capital structure, the Directors do not consider it necessary to seek the additional authority to allot up to a total of approximately 66% of the total issued Ordinary Share capital of the Company, in connection with a rights issue, as permitted by the guidance of the Investment Association.

If this resolution is passed the authority will expire on the conclusion of the next annual general meeting or at 6.00 p.m. on 21 August 2020, whichever is the earlier.

**Disapplication of pre-emption rights (Resolutions 20 and 21)**

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme) company law requires that these shares are offered first to shareholders in proportion to their existing holdings (known as pre-emption rights).

Limb (a) of Resolution 20 seeks shareholder approval to allot a limited number of Ordinary Shares or other equity securities, or sell treasury shares, for cash on a pre-emptive basis but subject to such exclusions or arrangements as the Directors may deem appropriate to deal with certain legal, regulatory or practical difficulties. For example, in a pre-emptive rights issue, there may be difficulties in relation to fractional entitlements or the issue of new shares to certain shareholders, particularly those resident in certain overseas jurisdictions.

In addition, there may be circumstances when the Directors consider it is in the interests of the Company to be able to allot a limited number of Ordinary Shares or other equity securities, or sell treasury shares for cash on a non pre-emptive basis. Accordingly, the purpose of limb (b) of Resolution 20 is to authorise the Directors to allot new shares and other equity securities pursuant to the allotment authority given by Resolution 19, or sell treasury shares for cash up to a nominal value of US\$18,422,339, equivalent to 5% of the total issued ordinary share capital of the Company excluding and including treasury shares (the Company holds no shares in treasury) as at 12 April 2019, being the last practicable date before publication of this Notice, without the shares first being offered to existing shareholders in proportion to their existing holdings.

In line with the template resolutions published by the Pre-Emption Group in May 2016, the purpose of Resolution 21 is to authorise the Directors to allot new shares and other equity securities pursuant to the allotment authority given by Resolution 19, or sell treasury shares, for cash up to a further nominal amount of US\$18,422,339, equivalent to 5 per cent of the total issued ordinary share capital of the Company as at 12 April 2019, being the last practicable date before publication of this Notice, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in Resolution 21 is used, the Company will publish details of the placing in its next annual report.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 20 in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company, excluding treasury shares, within a rolling three-year period, other than:

- (i) with prior consultation with shareholders; or
- (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The Board considers the authorities in Resolutions 20 and 21 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

Such authorities, if given, will expire at the end of the next AGM of the Company or, if earlier, at 6.00 p.m. on 21 August 2020 but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

Resolutions 20 and 21 will be proposed as special resolutions.

#### **Authority to purchase own shares (Resolution 22)**

The effect of this resolution is to renew the authority granted to the Company to purchase its own Ordinary Shares, up to a maximum of 73,689,358 Ordinary Shares until the earlier of the next Annual General Meeting and 6.00 p.m. on 21 August 2020. This represents 10% of the total issued ordinary share capital of the Company excluding treasury shares as at 12 April 2019, being the last practicable date before publication of this Notice and the Company's exercise of this authority is subject to the stated upper and lower limits on the price payable.

Pursuant to the Companies Act 2006, the Company can hold the shares which have been repurchased as treasury shares and either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The Directors believe that it is desirable for the Company to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give the Company the ability to resell or transfer them in the future, and so provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

The Directors have no present intention of exercising the authority to purchase Ordinary Shares but will keep the matter under review. The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall financial position of the Company.

Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently resold or transferred out of treasury). If any shares repurchased by the Company are held in treasury and used for the purposes of its employee share schemes, the Company will count those shares towards the limits on the number of new shares which may be issued under such schemes.

As at 12 April 2019, being the last practicable date before publication of this Notice, there were no options or warrants outstanding to subscribe for shares in the Company.

Resolution 22 will be proposed as a special resolution.

#### **Notice of general meetings (Resolution 23)**

The Companies (Shareholders' Rights Regulations) 2009 (the 'Shareholders' Rights Regulations') requires that the notice period for general meetings of the Company should be 21 days unless certain requirements are satisfied. The Company is currently able to call general meetings (other than an annual general meeting) on 14 clear days' notice and would like to preserve this ability. In order to be able to do so, shareholders must have approved the calling of meetings on 14 clear days' notice. This resolution seeks to renew the approval given at the Company's last annual general meeting and this approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. In the event that a general meeting is called on less than 21 clear days' notice, then the Company will meet the requirements for electronic voting under section 8 of the Shareholders' Rights Regulations in order to be able to call a general meeting on 14 clear days' notice. CREST voting will be permitted to fulfil these requirements.

The Company will not use the authority to call a general meeting on 14 clear days' notice as a matter of routine, and only in circumstances where the flexibility is merited by the business of the meeting, the proposals are time-sensitive or where it would be to the advantage of the members as a whole and moreover where the proposals are not of a complexity that might require more time for consideration by members.

Resolution 23 will be proposed as a special resolution.
